25X1 5. [] Met briefly with Representative Philip Philbin and his Administrative Assistant, Clifford Gaucher, and made an appointment for Mr. Maury to meet with Representative Philbin tomorrow. A time for meeting will be confirmed by telephone in the morning.

25X1 6. [] Received a telephone call from Senator Claiborne Pell who requested such information of an unclassified nature as may be available on the finding of an American arms cache in Czechoslovakia. He is holding a press conference on Wednesday and in view of his recent visit to Czechoslovakia would like to put this "canard" to rest. Senator Pell also requested assistance in the [] in which we had assisted a year ago, and asked that I come by and review his personal correspondence file on the matter. I met with Paul Goulding, the Senator's Administrative Aide, later in the day, and received from him copies of pertinent items from the Senator's correspondence file on
